

Little Sheep Learning

Welcome to the very first newsletter from [Little Sheep Learning](#), we thought it would be a great idea to stay in touch with you and let you know about what's new, this month's special offers and what's coming soon. As a thank you, we have also included a special discount code for your next order and details of our Christmas Competition below. The lucky subscriber of our last competition will be contacted shortly regarding their prize.

I can't believe that it is December already, it only seems five minutes since the summer holidays and now we're in the run up to Christmas. If you've already started your Christmas shopping don't forget we've got some great products on the site for stocking fillers – take a look at the mini first experiences books or our extensive range of right and left handed scissors. If you haven't started yet don't worry our last order date isn't until 18th December!

Do you have any suggestions for improving Little Sheep Learning or our newsletter? We're always trying to improve our services, so why not [email us](#) with your suggestions. You can find more useful resources / news in our [blog](#) too.

What's New?

This month we have added some FREE printable Colouring and Activity Sheets to our [Resources](#) page - a great way to keep children busy during the Christmas holidays. We've also added some fabulous new products and articles.

New Products:

[Tactile Sandpaper Letters](#) - These fantastic sensory sandpaper letters are great for children to trace with their fingers for an experience which makes learning letter formations fun.

[Sequencing Cards](#) - These are ideal for helping to develop sequencing and language skills. Set contains card sequences including getting dressed, having a biscuit and splashing in a puddle.

[Place Value Arrows](#) – As used in schools these are a brilliant way to help children understand hundreds, tens and units.

[Fine Motor Skills Book](#) - A fully photocopiable book containing activities designed to improve children's fine motor skills, a perfect partner to our best selling [Cutting Skills Book](#).

[Dice](#) - It may only be something very small but it is an essential learning tool!

[Tally Counter](#) - Another small item requested by a customer, this handheld tally counter is ideal for counting behaviours or requests or anything really!

Don't forget to check out our range of [Christmas](#) items too.

This Month's Special Offers
