

Little Sheep Learning

Firstly **Little Sheep Learning** would like to wish all our subscribers a Happy New Year. The new year is here and children are returning to nursery and school or maybe even starting school for the first time. If you have a child starting school the Usborne **Going to School** First Experiences book is a great little gift to help prepare them, or if you have a child struggling with reading and writing check out our range of flashcards, first words books and handwriting aids.

Do you have any suggestions for improving Little Sheep Learning or our newsletter? We're always trying to improve our services, so why not **email us** with your suggestions. You can find more useful resources / news in our **blog** too.

Elaine

What's New?

This month it's the **Season** for January Sales and **Little Sheep Learning** is no exception. Take a look and get yourself a bargain, all items are to clear so once they are gone they are gone - some products have up to 50% off!

New Products:

In December we added to our range of Orchard Toys, check out these great **games** which proved popular with Christmas shoppers. With prices starting at just £6 these games are an excellent way to help your child learn not only turn taking skills but their shapes, colours, numbers and counting too.

Christmas Competition

Thank you to all the children who entered our Christmas Tree decorating competition the winners are: Eloise from Bolton and Kate from Milton Keynes who will be receiving their prizes shortly.

What's Coming Soon?

Now that Christmas has passed we are working to increase our range of [FREE printable Colouring and Activity sheets](#). Stay subscribed to be the first to know!

Recommended Sites
