

# Little Sheep Learning

## Hello from [Little Sheep Learning](#)

So now it's June – is it summer yet? We had a great birthday month and we would like to thank all of you for visiting, buying and entering our competition. This month we have new products, news of competition winners and a special discount code for you. We also share a few of our favourite sites and ask for your help to complete some research.

## June [Special Offers](#)

As it's been raining we've been tidying out our stock cupboard and we noticed we have some ends of lines. We've decided to have an early summer sale [to](#) clear the space for our new stock so take a look and grab yourself a [bargain](#). These sale items would be great to put away for birthday presents or another rainy school holiday. Hurry though as stocks are limited!

## New Products this Month

This month we have some more new products at [Little Sheep Learning](#) we received the box late on Wednesday and it is very exciting unpacking them and finding that they really are even better than they look in the pictures. We are pleased to announce the arrival of [colour](#), [shape](#) and [number](#) bean bags. We'll add some teaching ideas for these products to our [blog](#) shortly - so do [email us](#) with your ideas!

The [colour beanie bags](#) set of 10 coloured bean bags (red, orange, yellow, green, blue, purple, black, white, grey and brown) have the name of each colour stitched onto one side and are ideal for early colour recognition. The [shape beanie bags](#) are a set of 8 shaped bean bags (circle, square, rectangle, triangle, star, oval, pentagon and hexagon) with the name of each shape stitched onto one side and are ideal for early shape recognition. The [number beanie bags](#) set contains 20 bean bags with the name and number stitched on either side - ideal for a wide range of counting and number games. Each bean bag measures approximately 7-10cm and sets can be stored conveniently in the drawstring cloth bag supplied.

This month we have also added two [communication](#) programmes; [Time to Talk](#) and [Socially Speaking](#); and the handwriting programme [Write from the Start](#) – please check the site for more details.

## Competition Winner

Congratulations to Karen from Worthing who found the birthday cake on our site for our birthday competition. We hope you enjoy your copy of the Usborne Book of Playtime Activities.

## Our Friends

There are lots of lovely networks of small businesses run by parents and I've been sharing a few each newsletter in my recommended sites and today I need to ask for your help. Two years ago [IdentifyMe®](#) conducted a national survey on parental attitudes towards "tagging" children. The results last time showed some very interesting statistics and now they are trying to find out whether they are providing solutions that help other parents give peace of mind. They also want to know if there is anything else we can do to help educate children who may become lost and also educate people who may find a lost child on what to do in this ever changing society that we live in. To take the survey [Click Here](#).

## This Month's Recommended Sites

This month LittleSheep Learning would like to recommend the following sites:

[Knotjustjigs](#) – A friendly traditional toy store.

[Chelltune](#) – the sign-language store (signing books and resources)

[Character Kids](#) – the place for all your favourite character clothing

[Beadmerrily](#) – home of Hama beads (and much more these days)

[Mumszone Parents Forum](#) – a friendly online parenting community.

## Our [Blog](#)

Have you been reading our [blog](#)? I've been busy writing more and more in it each day, there are lots of top tips, activities and information to help your child learn so do keep reading! We also post our news from [LittleSheep Learning](#) there so you can be first to find out about new products, resources and special offers. Do you have any suggestions for improving LittleSheep Learning, our blog or our newsletter? We're always trying to improve our services, so why not [email us](#) with your suggestions.

## Lastly

Quote JuneNews to save 5% on your next purchase at [LittleSheep Learning](#) during June.

Thank You
