## Hello from [Little Sheep Learning](#)

September and the new school year is now here, sorry if you missed outdoor activities during the rainy spell – we certainly seemed to miss a 'summer' holiday. In case you missed the announcement mid-month we've launched our new website designed by Alison at [Daffodil Design](#), we still have more articles and resources to add and some other minor changes to make but please do take a look - I'm sure you'll agree it is much more user friendly.

## September [Special Offers](#)

This month's special offer item is [Insey Wincey Spider](#) a best selling game based on the popular nursery rhyme that helps to teach shapes and counting skills and promote discussion about the weather. We also still have the last few tape editions of [Crash, Bang, Wallop!](#) and [Cock-a-Doodle Moo!](#) games left to clear.
